No race report given as Marcus was absent from the meeting.

Youth Development Officer

No report given as the Youth Development office was absent.

Website

A summary was given of all the new features of the website and how it could possibly help the club as a central contact point.

- Sections added for Road racing / Time trials and Sportives
- Club runs catalogued
- Club activities on Google calendar
- Logins for members to change details

5. Main Agenda

Two tier membership

It was discussed whether it would be a good idea to introduce a second tier of membership for some older members who still wanted to be part of the club but were either not capable or didn't want to marshal at events.

Mike Binks Memorial RR

An email from Nigel Hopper was received informing us that he won't be organising it this year and would anyone like to stand in and take his place. Anyone who is interested should get in touch.

Marshalling Duties

- Paul Howe won't be organising the marshalling rota for this year and would like someone else to take over. Although Dave Kirton was absent from the meeting it was loosely proposed that he might be the ideal candidate.
- Any members over the age of 65 are not requested to marshal if they don't want to but if they feel that they would like to continue then it is appreciated.
- It was mentioned that some members weren't turning up to their designated event and it was unclear why. Some were apparently not getting notifications by email etc so It was decided that the membership list should be checked and see if it is up to date.

6. Other news

- The Seamer Time Trial Series has been increased by four nights.
- It was decided that as donations have already been given, and as he's been a long standing member of the Club it would only be right that Keith Alderson's granddaughter is added as one of the clubs designated charities.

7. Agenda for the next meeting.

A possible donation to League 2000

8. Close of Meeting

There being no further business the Chairman closed the Meeting at 8.45 p.m.

9. Next Meeting

The next meeting will be held on the 28th April 2014
