### **Matters Arising:**

Previous minutes were not available.

MC discussed the Evening Series for the coming week, as the course is quite gravelly and may not recover in time. We will use Broughton if necessary.

### **Officials' Reports:**

#### **General Secretary:**

Nothing to report.

#### **Treasurer:**

£2810 in Youth Team

£4975 in CWCC

£1600 in Youth Coaching

#### **Racing:**

RT cracked elbow, working his way back.

Further sponsorship opportunity may have arisen -- "major housebuilder" – passed to MS.

#### **Youth Development:**

JG mentioned his "unhappiness" at the low turnout for the winter adult training and its drain

on the youth/coaching coffers. Committee accepted that inclement weather was the main reason this past year and agreed to monitor the situation next winter and try to promote attendances.

RC has asked to be supported in gaining L2 track coach status. Committee agreed to help fund this, in part because he would have been funded last time but declined to accept it.

There is an option to have trackside advertising banners at the velodrome. Do we want one? Most other clubs have one. This is treated as “sponsorship” of the velodrome and the money raised goes to improving events there, eg track league.

L2K is going well with >90 per event

There is some overly small kit to shift. JG to dress up teddy bear as prize!
